

MAPPA THUSNELDAE — VIA AD LUCUM SACRUM

The map is drawn on torn leather. The lines are uneven. Nothing is straight.

```

dashes) \ ~river~ [?] (smudge; a fourth river?
erased?) [0 0 0 0 0 0 0] <-- seven standing
stones, ring (each bears a rune from the vault

Man. Journey. Joy.

"The man who makes this journey finds what he seeks."

The fourth river is missing or hidden. Thusnelda did not mark it. The warning over the grove is not decorative.
