ATTACKS & SPELLCASTING

Silver Tongue

Starting at 3rd level, you are a master at saying the right thing at the right time. When you make a Charisma (Persuasion) or Charisma (Deception) check, you can treat a d20 roll of 9 or lower as a 10.

Unsettling Words

Also at 3rd level, you can spin words laced with magic that unsettle a creature and cause it to doubt itself. As a bonus action, you can expend one use of your Bardic Inspiration and choose one creature you can see within 60 feet of you. Roll the Bardic Inspiration die. The creature must subtract the number rolled from the next saving throw it makes before the start of your next turn.

Hexblade's Curse — bonus action, 30ft, +prof to damage vs cursed target, crit on 19–20, regain HP = warlock level if it dies cursed. 1/short or long rest.
